**RE: California Point of Historical Interest Nomination for  
Leona Valley Schoolhouse**

Dear Mr. Skelton:

The above-named resource is being nominated as a California Point of Historical Interest (Point). The State Historical Resources Commission (Commission) is scheduled to take action on this nomination at its next regular quarterly meeting. (Details regarding the meeting are on the enclosed notice.) At the meeting, any interested party, government entity, or member of the public may address the Commission regarding the nomination prior to the Commission taking action on the nomination. Any interested party, government entity, or member of the public may also submit to the Commission written comments regarding the nomination. Comments should be submitted to California State Parks, Attn: Office of Historic Preservation, Carol Roland-Nawi, State Historic Preservation Officer, Post Office Box 942896, Sacramento, California 92496-0001. So that the Commission may have adequate time to consider such comments, it is requested, but not required, that such comments be submitted to the State Historic Preservation Officer 15 days before the meeting.

Points are properties of local interest recognized for their historical significance. The criteria governing the historical designation of a property is that the property must be the first, last, only, or most significant of its kind in a local geographical area. If the property has lost its historic integrity it can be listed as a site. Points designated after December 1997 and recommended by the Commission are also listed in the California Register of Historical Resources. Resources listed in or eligible for listing in the California Register must be given consideration in the California Environmental Quality Act (CEQA) review process.

If you have questions, please contact the Registration Unit at (916) 445-7000.

Sincerely,

A handwritten signature in black ink, reading 'Carol Roland-Nawi, Ph.D.'.

Carol Roland-Nawi  
State Historic Preservation Officer
